Representative Max Brooks' 2026 Voter Guide

Colorado voters are being asked to make major decisions this November on taxes, TABOR, and the size of state government.

I believe three measures in particular deserve close scrutiny: Proposition NN, Amendment 87, and Proposition 137.

My voter guide below explains why I oppose all three and why I see them as part of a broader debate over taxpayer protections, government spending, and the future of TABOR in Colorado.

REP. MAX BROOKS'
2026 VOTER GUIDE

Protect TABOR. Protect Taxpayers. Vote NO on NN, 87, and 137.

NO on Proposition NN
A BIGGER GOVERNMENT TAKE. A WEAKER TABOR.

- ✗ Raises the TABOR cap so government can keep more of your money
- ✗ Steals TABOR refunds from Colorado taxpayers
- ✗ 75% of the retained revenue goes to the General Fund
- ✗ Only 25% goes to educational purposes

Don't be duped by the ads. NN is a TABOR annihilation effort.

NO on Amendment 87
A HIGHER TAX BURDEN FOR COLORADO.

- ✗ Creates a graduated income tax
- ✗ Raises taxes and moves Colorado away from its flat-tax model
- ✗ Exempts billions in new revenue from TABOR limits

HIGHER TAXES. A WEAKER TABOR. A MORE EXPENSIVE COLORADO.

NO on Proposition 137
MORE GOVERNMENT SPENDING, LESS MONEY FOR TAXPAYERS.

- ✗ Redirects revenue away from taxpayers
- ✗ Weakens TABOR protections by carving out more spending
- ✗ Another step toward government keeping more of your money

THE BIG PICTURE

- ✓ The majority party keeps trying to chip away at TABOR.
- ✓ Coloradans have repeatedly supported TABOR at the ballot box.
- ✓ **Vote NO on NN, 87, and 137.**

Respect the taxpayer. Respect TABOR. Respect the voter.
